Guide: Hente posisjonsdata fra GPS

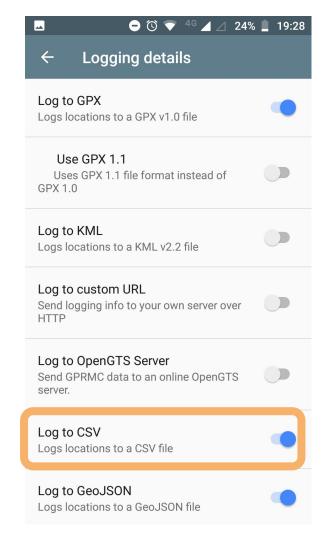

Trykk her for å få opp menyen

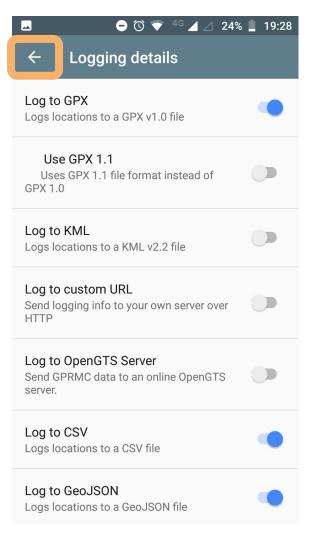

Her velger vi filformat

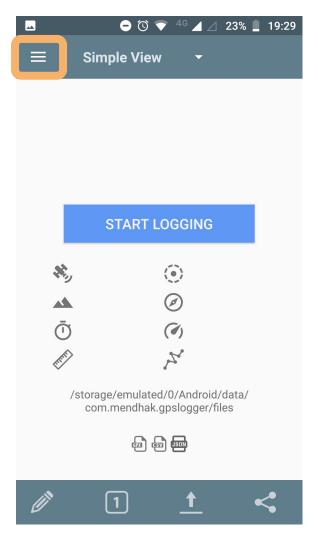

Pass på at CSV er skrudd på

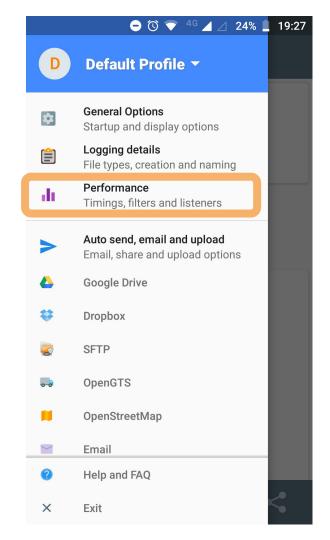

Trykk her for å dra tilbake til start

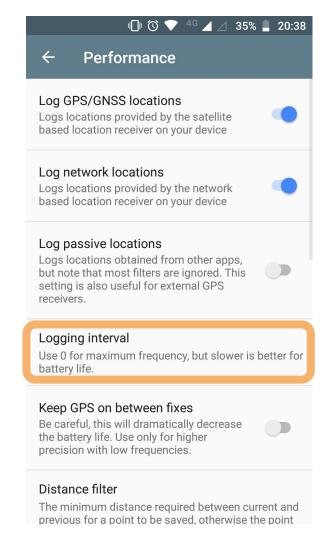

Trykk her for å få opp menyen igjen

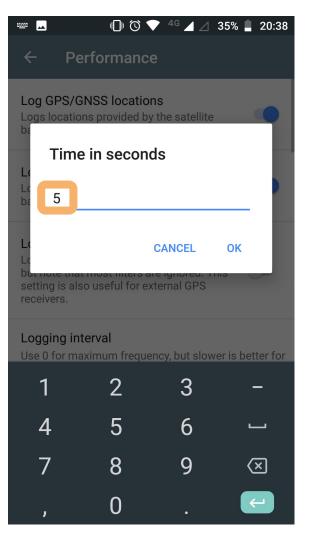

Her velger vi loggefrekvens

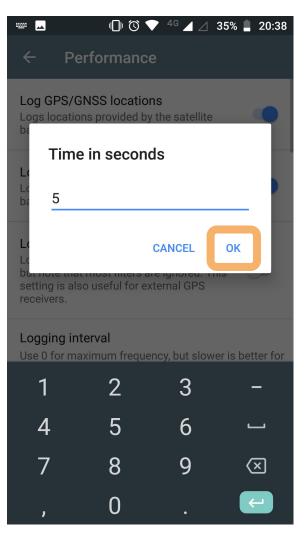

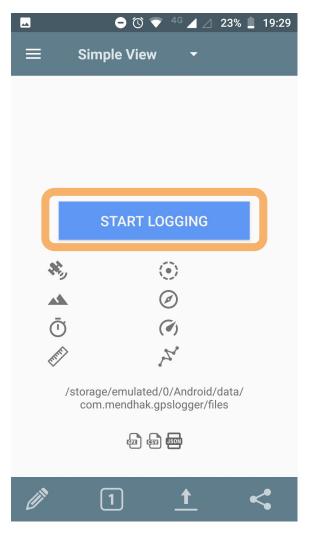

Her velger vi loggefrekvens

Sett loggefrekvensen til noen sekunder (vi brukte 5)

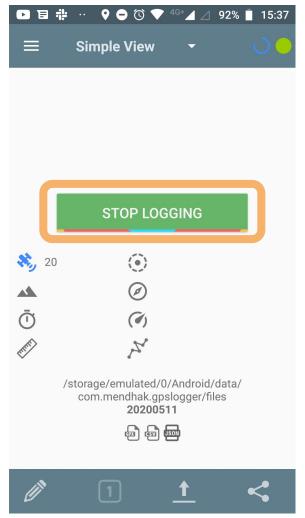

Trykk på OK for å bekrefte

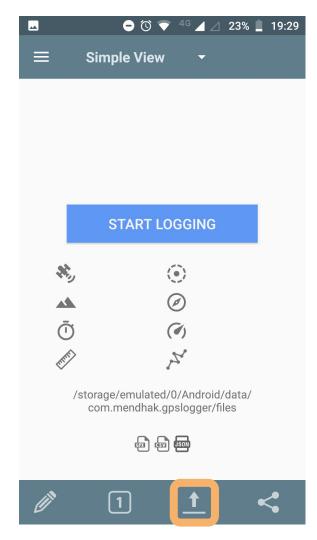

Start når du setter deg på sykkelen

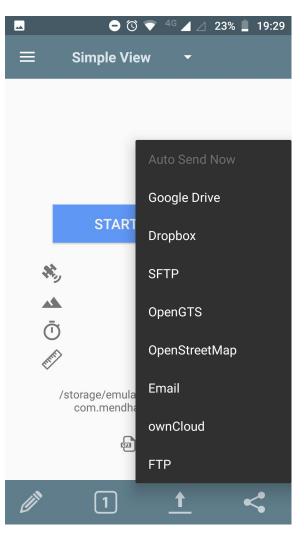

Stopp når du er ferdig

Last opp loggen

Velg måte å laste opp logen (e-post virker ikke alltid)

Velg CSV filen fra den loggen du vil laste opp
